

STOP TRAFFICKING WITH THE STOP APP

TRUSTED BY 16,000+ USERS

Have you seen something that doesn't look right? Have you seen a false job ad, been approached by someone suspicious or experienced exploitation? Help stop misinformation and develop a data-led response by sharing your stories with us.

FREE TO DOWNLOAD

Completely free with no adverts or in-app purchases.

EASY TO USE

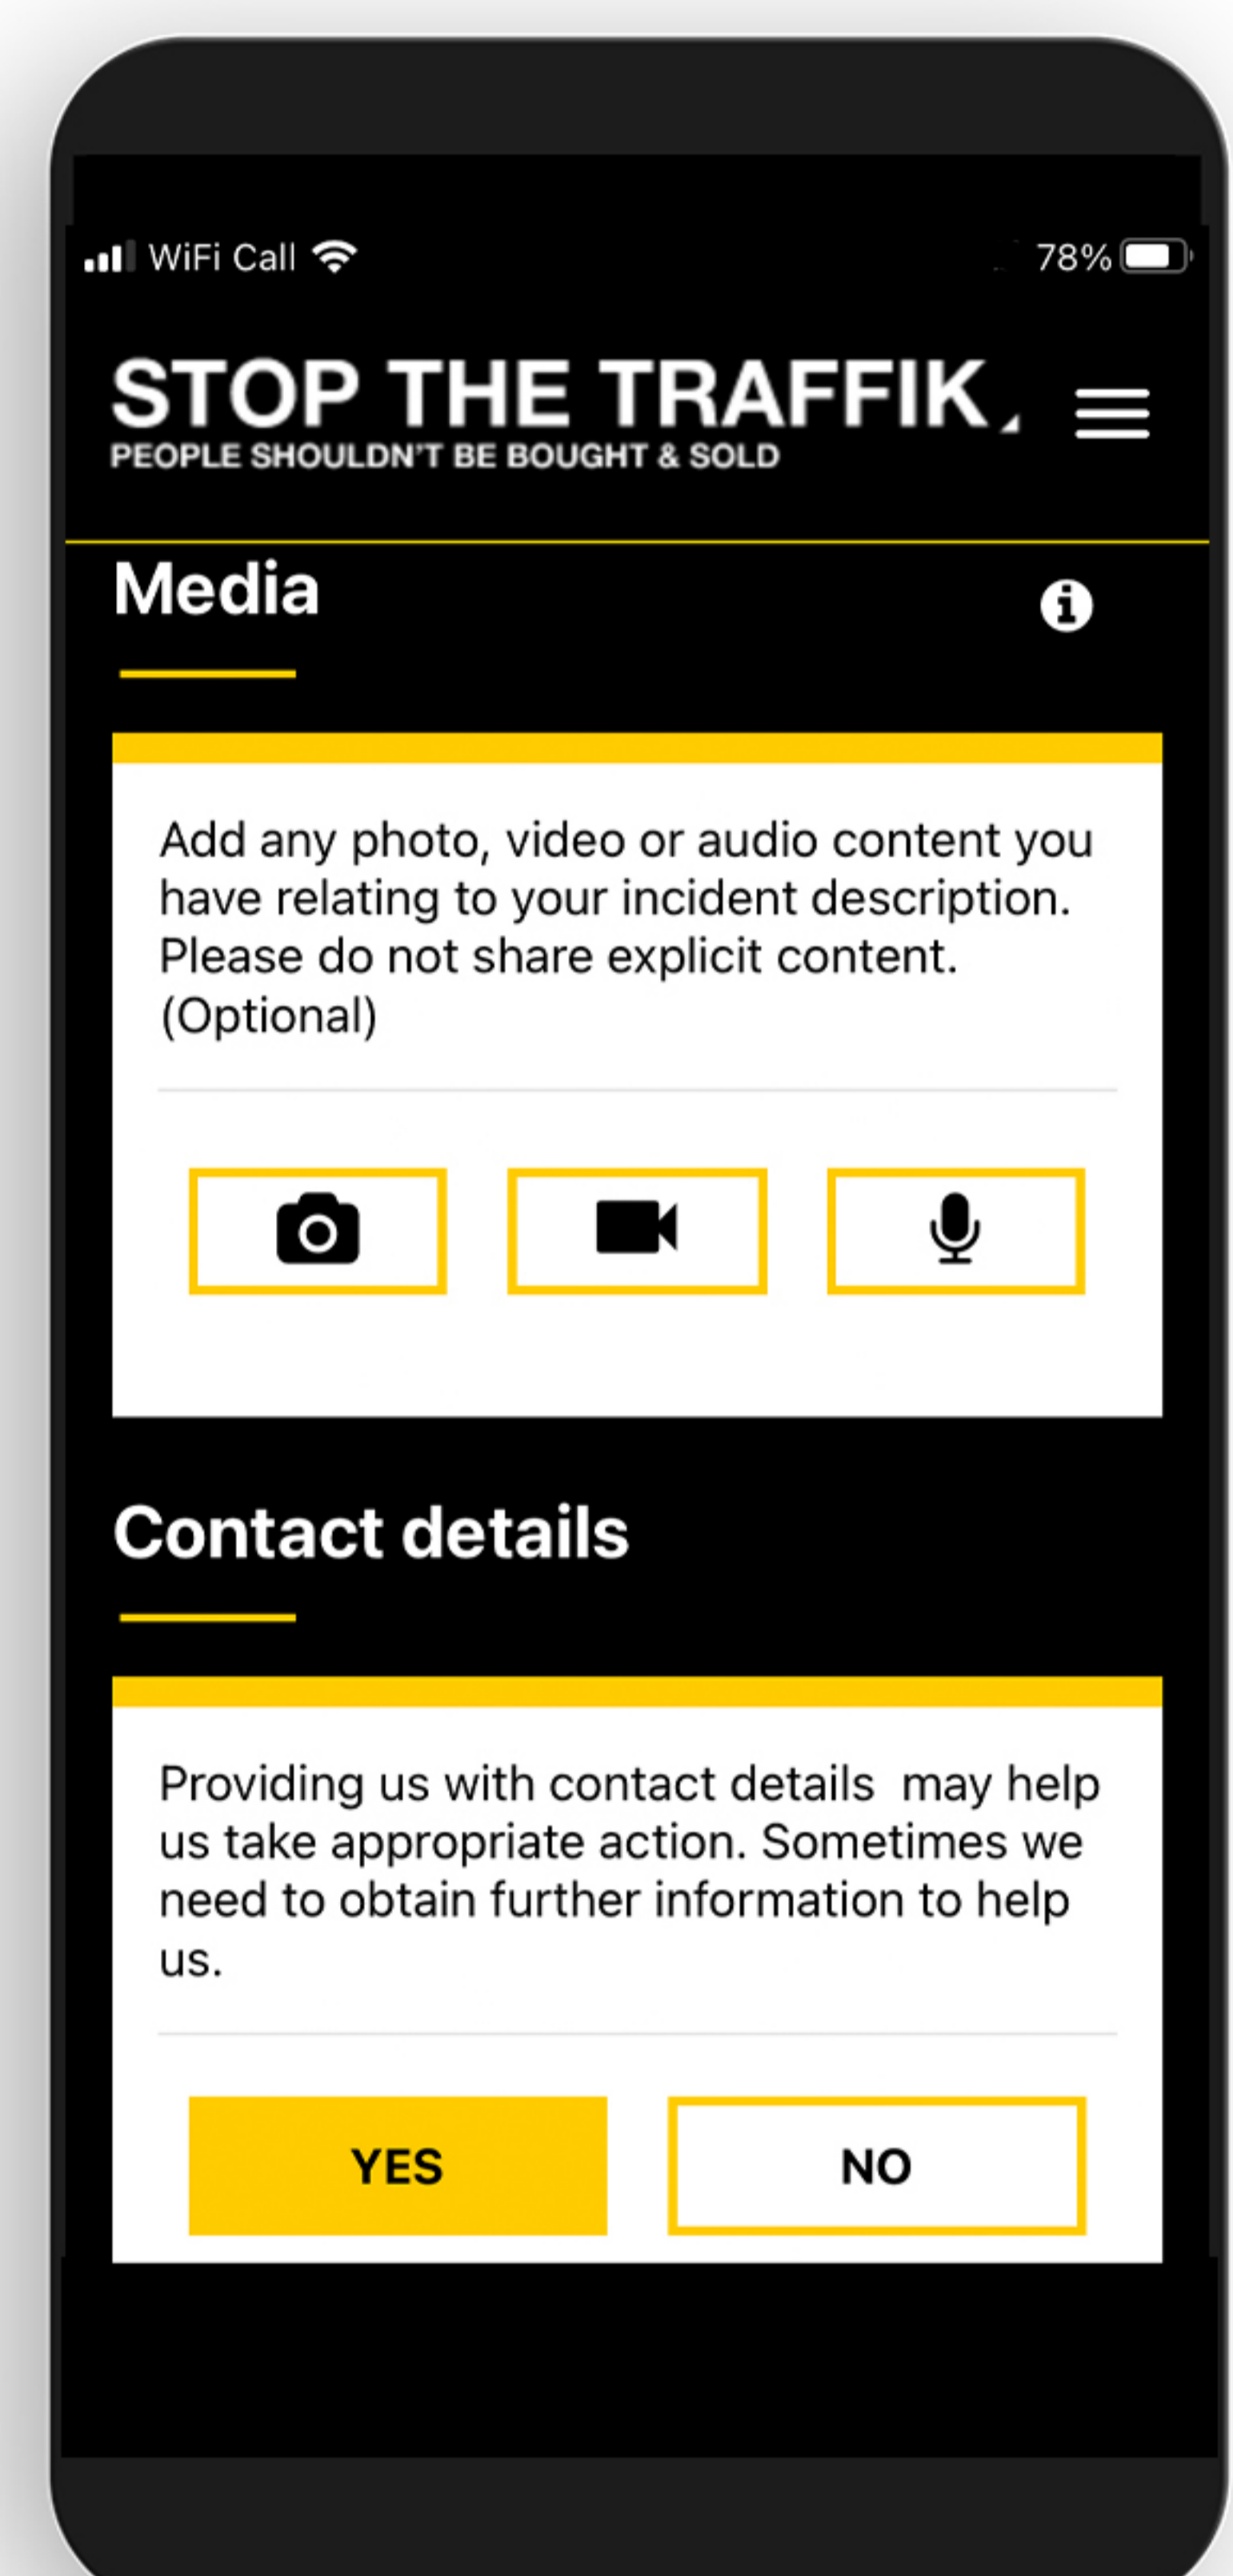

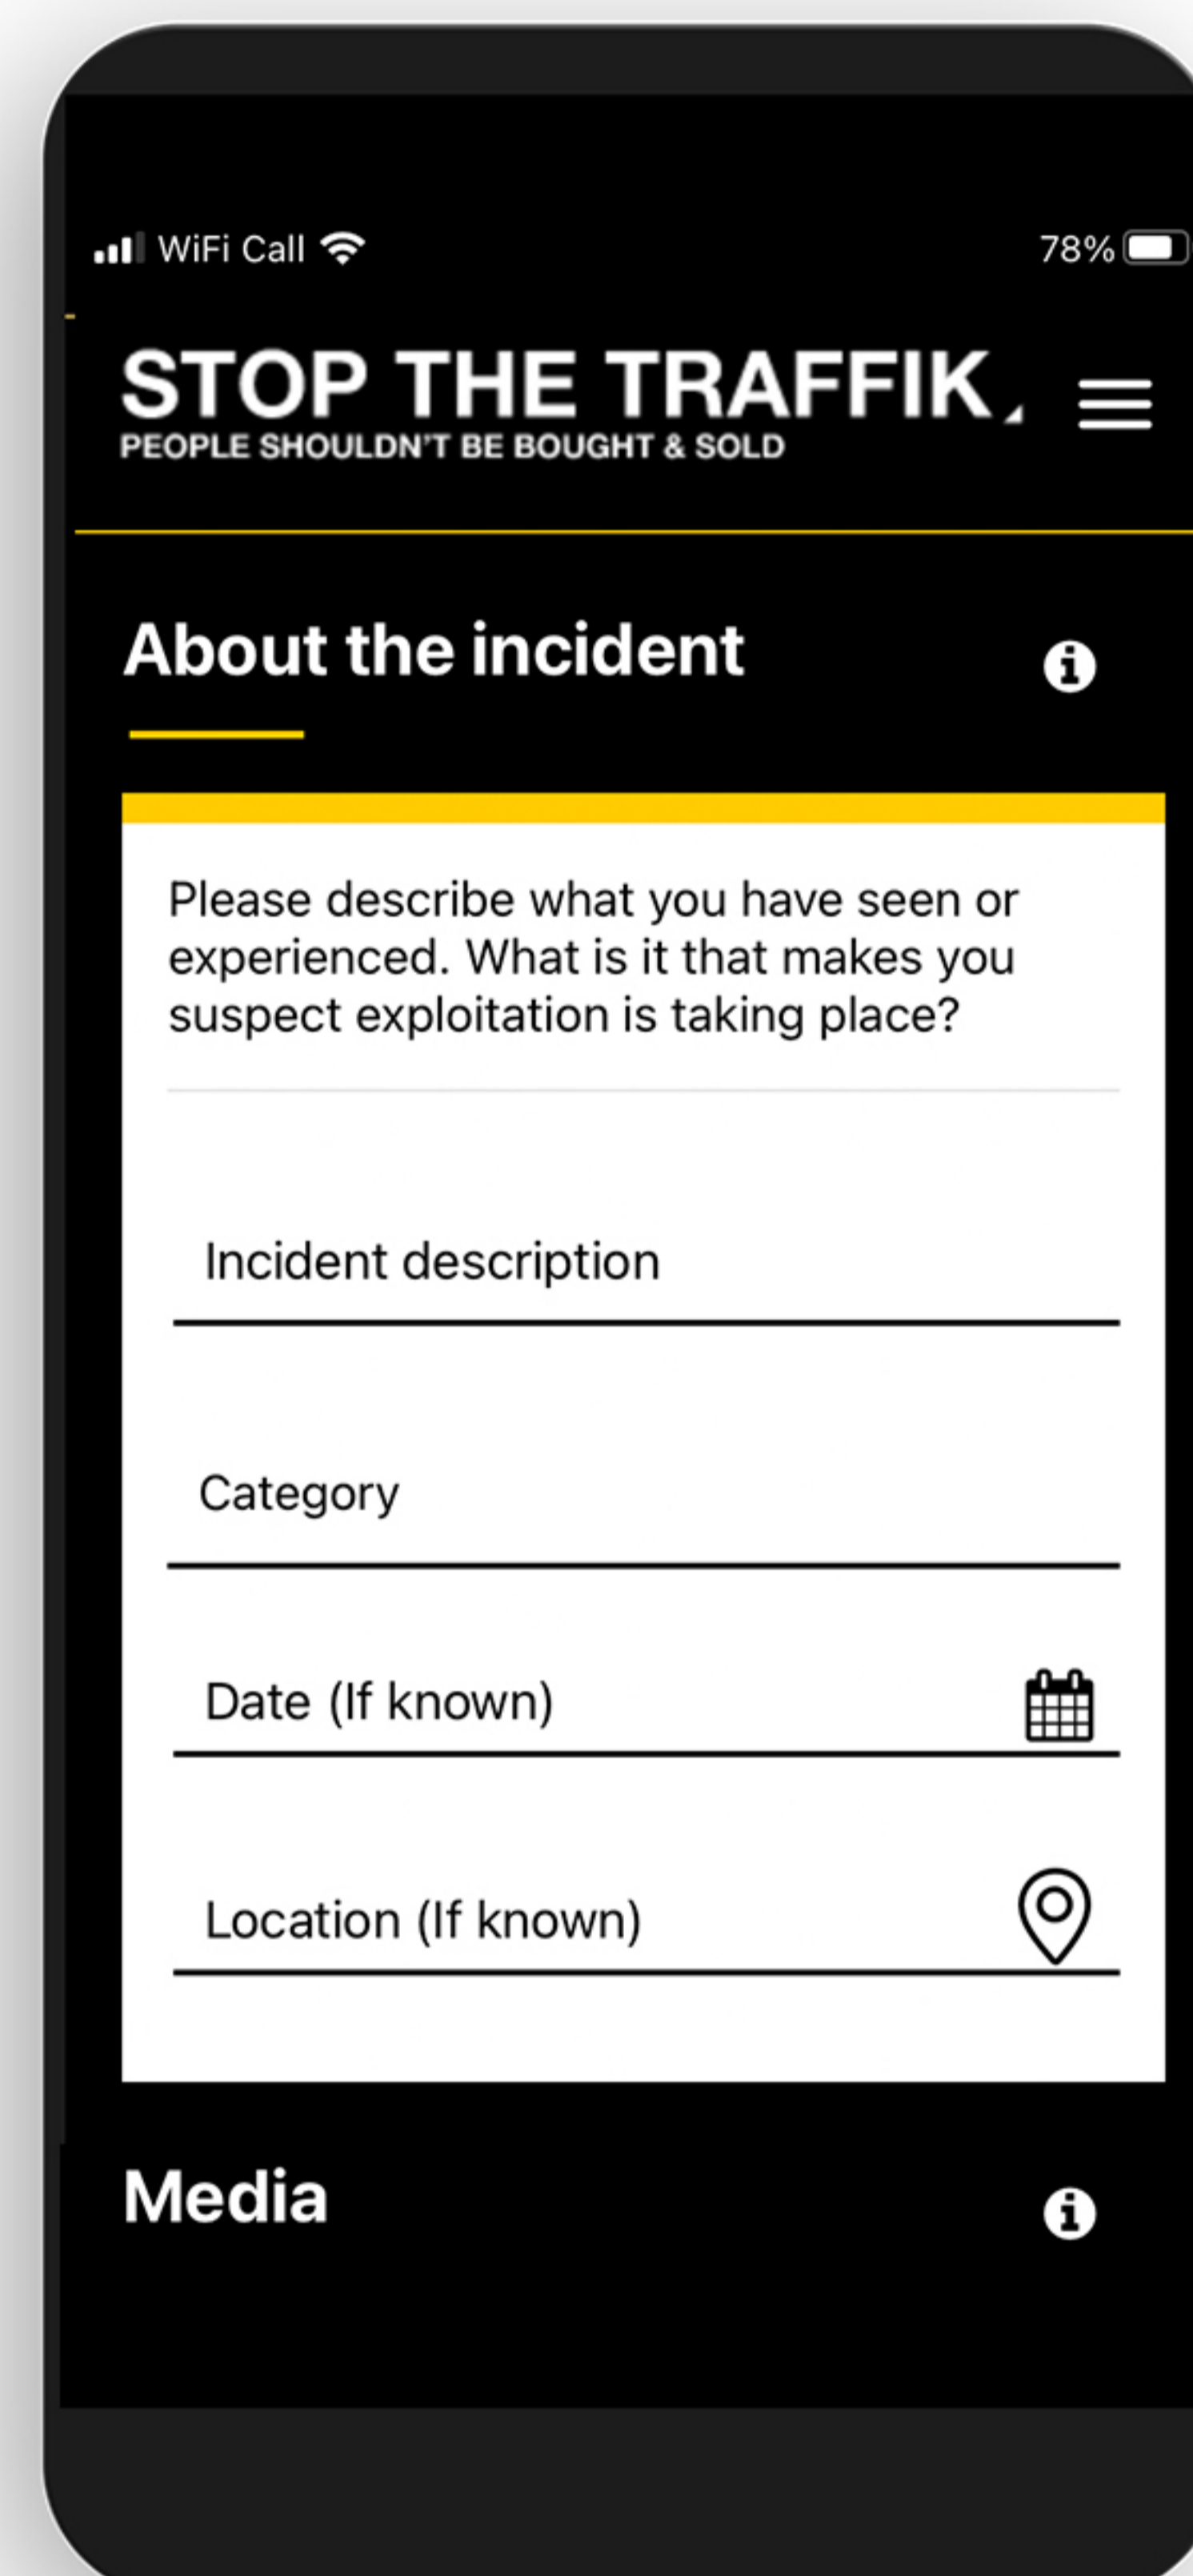

Available in Ukrainian and 8 other languages.

SECURE REPORTING

No records stay on your phone and you can remain anonymous.

DIRECT SUPPORT

Reports are already supporting initiatives and NGO's on the ground in and around Ukraine.

CONTACT

 Download the STOP APP if you have a story to share or want to report concerns.

 Supporting people from Ukraine? Get free access to the TA Hub, the biggest data set on trafficking by emailing: communications@traffikanalysis.org

 Want to have a conversation about intelligence or data? Reach our research, intelligence and safeguarding team by emailing: cflp@stopthetraffik.org

THE STOP APP

Download for free on Android and iOS
